DO YOU WEAR GLASSES?

IF SO, are you satisfied that they have been fitted to your eyes in a correct and proper manner?

HAVE THEY GIVEN YOUR EYES that relief which you expected they would?

ARE YOUR EYE MUSCLES following their natural laws as they should do with correctly fitted glasses?

Would you like my opinion? I will give it to you willingly, **Free of Charge.**

MY SYSTEM of Eyesight Testing has no superior.

MY 20 YEARS' EXPERIENCE is behind this system.

When glasses are supplied my prices are always strictly moderate.

A Few of the Many Reasons

Why we have had to add to our **BABY MILK** dairy herd

The milk is of the **highest quality** and **freshest** it is possible to **obtain**.

As soon as it is thoroughly cooled we filter it through sterilized Shaker flannel (instead of cheese cloth) into a tightly closed patent filler, which fills the jars without the milk coming to the air, thus avoiding all chance for dust or any **foreign** substance to settle in it.

By calling at our laboratory after 10 o'clock any forenoon, you can take home this milk for infants and invalids less than six hours old. **This Milk** and the **Grew Farm Milk** we deliver at 10c per quart.
